Recent High School Graduates Attending PCC
Fall 2015

- Approximately 2,413 high school graduates (2014-15 graduating class) attended PCC in Fall 2015.

- Students were most likely (56%) to be enrolled full-time (12 or more credits) or taking 6-11 credits (36%).

- Just under half (48%) of students received financial aid.

- Students most frequently took the majority of their classes at Sylvania (36%), followed by Rock Creek (37%), Southeast (15%) and Cascade (13%).

- Students generally tested as having college-level reading and writing skills but below college-level math skills.²

- The majority (64%) of students enrolled primarily in college transfer courses and 21% enrolled mostly in developmental/pre-college instruction.

- Approximately 78% of the students finished the fall term with a grade point average of 2.0 or higher.

Notes:
1. “Recent high school graduate” is based on student provided admissions data.
2. College-level is determined 100-level course placement via COMPASS Placement Test.
