CLUB COMMUNITY SERVICE FORM

ASPCC ROCK CREEK

Community service projects are a club’s opportunity to work together to support an ASPCC event, college-wide program or event, or support the greater community in general. The project also may result in funding for a club, as much as $250 per project. The recommended labor for each project is 30 hours per club (Example: 5 club members doing 6 hrs. each = 30 hours, or any equation totaling 30 hrs.). Your club can propose a shorter project for less money; all proposals are welcome. Cumulative projects are also welcome, but must be planned in advance. Clubs are limited to a maximum amount of $250 per term. Below are the recommended steps in achieving a well executed community service project.

1. Fill out parts 1 & 2 of this form.

2. Deliver form to the Assistant Student Leadership Coordinator (housed in the Clubhouse, Bldg. 3, Student Center) or submit via email to clubs.rc@pcc.edu. The proposed community service project will then be placed on the next ASPCC Meeting’s agenda. ASPCC meets every Monday from 3:30-5pm.

3. A member of the club will need to be present at the ASPCC Meeting to answer any questions regarding the proposal.

4. Once the community service project is completed, fill out part 3 and deliver or email to the Club & Programs Specialist. Again, a club member will need to be present at the next ASPCC Meeting to report on the project. It is at this time that ASPCC will determine the funds allotted.

PART 1: CLUB & CONTACT INFORMATION

Club Name: Zoo Science Club
Club Representative Name: Amber Valdez
PCC Email: amber.valdez@pcc.edu Telephone: 559-940-9337

PART 2: COMMUNITY SERVICE PROJECT PROPOSAL

Briefly describe the community service project, and your club’s role/participation: Assist with Oregon Spotted Frog egg mass surveys. Will be wading through hip deep water in search of egg masses and once masses are spotted we mark them with flags to note their location. US Fish and Wildlife maintains these records to get an idea of how well the population is doing. Oregon Spotted Frogs are endangered so we hope to find more egg masses than last year.

Total number of club members participating: 13 Total number of hours scheduled: 52 Date of project: 3/24

Identify (3) goals of the project:
1. Learn about the Oregon Spotted Frog and what US Fish and Wildlife is doing to help them.
2. Survey an area of Cowboy National Refuge in order to assist with USFW’s yearly survey.
3. Enjoy nature and the outdoors while contributing to a greater ecological project!

What, if any, support will your club need to successfully complete this service project?
None

<tr>
<td>How many club members attended/participated?</td>
<td>5</td>
</tr>
<tr>
<td>How many total hours were worked?</td>
<td>20</td>
</tr>
<tr>
<td>Did you meet your goals?</td>
<td>X NO</td>
</tr>
<tr>
<td>If no, please explain why not: Originaly we were going to have at least 13 volunteers with around 22 hours, but several club members dropped out since the location was so far away.</td>
<td></td>
</tr>
<tr>
<td>Briefly evaluate the project in terms of scheduling, attendance, &amp; communication. What did your club get out of this experience?</td>
<td>Attendance was lower than anticipated since we had to leave Portland at 6:15 am in order to arrive at the refuge by 9:00 am. I don't think many people realized that, so they canceled the week before. The five of us that attended had a really great time though! It was very hard work and we were very tired by the end of the 4 hours.</td>
</tr>
<tr>
<td>Would you do this project again?</td>
<td>X YES</td>
</tr>
<tr>
<td>Give reasons for your reply:</td>
<td>Although it was very tiring work, we enjoyed being out in nature on a beautiful day and we felt great being able to contribute to USFW's larger project.</td>
