What is being funded?  Light dinner for the screening of the movie 14 which will take place from 4-6:30pm.  We have to provide food through PCC’s catering services.
Estimated number of students impacted and how they will benefit - I had a strong suggestion to offer food for students in order to have a better outcome. Goal is to get at least 25 students, food will be a way of having more students. If not, popcorn, cookies, soda will be provided.

Itemized list to describe how the dollars will be spent -
