How will the funds be used?  Phi Theta Kappa would like to request funds for 10 scholarships for New Membership fees. National and Regional dues are $60 dollars per applicant. The total amount requested for 10 scholarships is $700. Phi Theta Kappa, Beta Gamma Lambda chapter will provide $300 in kind by waiving the chapter’s $30 per applicant fee if the total for 10 scholarships is approved.

How will students benefit and approximately how many will be impacted?  Many PCC students cannot afford the $100 application fee, even if they meet the minimum GPA requirement to join. This will allow 10 students in need to be rewarded for their achievements.

Itemized list to describe how the dollars will be spent-
